

Life's better here

betterhere.ca

Wanted: Medical Microbiologist who loves it fresh. You'll never have to talk about the one that got away.

You've worked hard.
Earned respect.
Made sacrifices.
Now it's time to enjoy the lifestyle you've been dreaming about.

Kamloops, BC offers a work/life balance that will quench your thirst for adventure.
Catch your limit in the morning.
Dinner and a concert at night.
Kamloops offers a vibrant lifestyle of arts, recreation and more than 100 fishing lakes within the region.

We are looking for a Medical Microbiologist to fill a vacancy covering Laboratory and Infection Control services for Royal Inland Hospital. Our group includes 7 General and Anatomic Pathologists, several of whom provide backup for Microbiology Services.

The successful candidate will be expected to lead microbiology laboratory and infection control services, as well as provide clinical consultation relating to diagnosis, management and prevention of infectious disease. Leadership responsibilities include setting Health Authority Policy through participation in the Regional Microbiology Laboratory Working Group.

What are you waiting for?
