CONTINUING PROFESSIONAL DEVELOPMENT ACTIVITY SECTION 1 FOR MOC

CCM CE CREDITS

FCCM, SCCM or RM delegates who wish to receive a certificate of CE credits from the Canadian College of Microbiologists are required to return both the program evaluation and CE record forms once completed to the registration desk or through the CCM web site (<http://www.ccm.ca>). Workshops, plenary sessions, state of the art clinical lectures, and integrated symposia are accredited activities; however, the oral presentations are not.
